2. This paper, in substantially its present form, has also been reviewed and commented upon by the Assistant Director of the Office of Communications, the General Counsel, the Assistant Director (Personnel) and the Assistant Deputy (Administration) for Security.

3. It is recommended that the CIA Career Service Board approve in principle the establishment of a Hazardous Duty Pay program in the form outlined and appoint a Working Group to prepare a detailed plan for re-submission to the CIA Career Service Board and to the DCI for approval. It is also recommended that the Working Group so appointed consist of five senior officers and that upon approval by the DCI of the plan which it will recommend, the same persons be then constituted as the CIA Hazardous Duty Board in order to ensure continuity.
